**Subject:** Xenia, IL (DOT 152919C/IL0184) - Stop Signs

Greg, attached is a copy of the Order from ICC regarding Xenia, IL (DOT 152919C/IL0184). As a reminder, note that temporary stop signs must be installed at this crossing by August 11, 2006, and maintained until warning devices are installed. Please advise when this is completed. Below is an excerpt from the Order:

- (6) **Public Act 93-0604 (effective November 21, 2003), which amends 18c-7401 (Safety Requirements for Track, Facilities, and Equipment) requires installation of temporary STOP signs whenever the Commission authorizes the installation of automatic flashing light signals and public highway-rail grade crossings. The temporary STOP signs shall be in place until the luminous flashing signal or crossing gate device has been installed. The rail carrier is responsible for the cost of the installation and subsequent maintenance of any required temporary STOP signs.**

Thanks!
